

Beverly COVID-19 Protocols

Monitor Your Own Health

DO NOT go to the barn or take your horse schooling if you have any COVID-19 symptoms such as fever, coughing, or unusual shortness of breath.

Feeling exhausted? Not sure if you "have something"? Take your own temperature and rule out a fever.

Do not go to the barn if you have been in an airport in the last 14 days.

Use the bathroom at your home, rather than the barn. The fewer areas you access around the barn, the easier it is on barn employees.

Wash your hands for at least 20 seconds before you leave the house.

No More Than
10 People In
An Area Or
Present At An
Activity At
One Time.

Our use of the Google calendar already schedules rides to avoid exceeding 10 people at the barn at any one time. Please show up on time for your lesson and leave promptly after it concludes. Remember that vets & farriers need to visit the facility too- and they count as part of 10 people.

Please do not bring anyone else with you to the barn. If you are bringing a non-driver, please wait for them in your car.

Maintain A
Minimum
Space Barrier
Of 6 Feet
Between
People

- ▶ Come directly from your car to the horse or your locker and directly go directly to your car after your lesson/ride. The lounge is closed for now. If needed, please use the bathroom off of the boarder tack room.

Sanitization Of All Common Surfaces/Items Handled By Multiple People

Sanitize your hands upon arrival.

Avoid touching things such as door knobs, lockers, stall door latches and light switches unnecessarily.

Avoid petting barn dogs and cats.

Sanitize anything you've touched before you depart.

Masks and Face Coverings

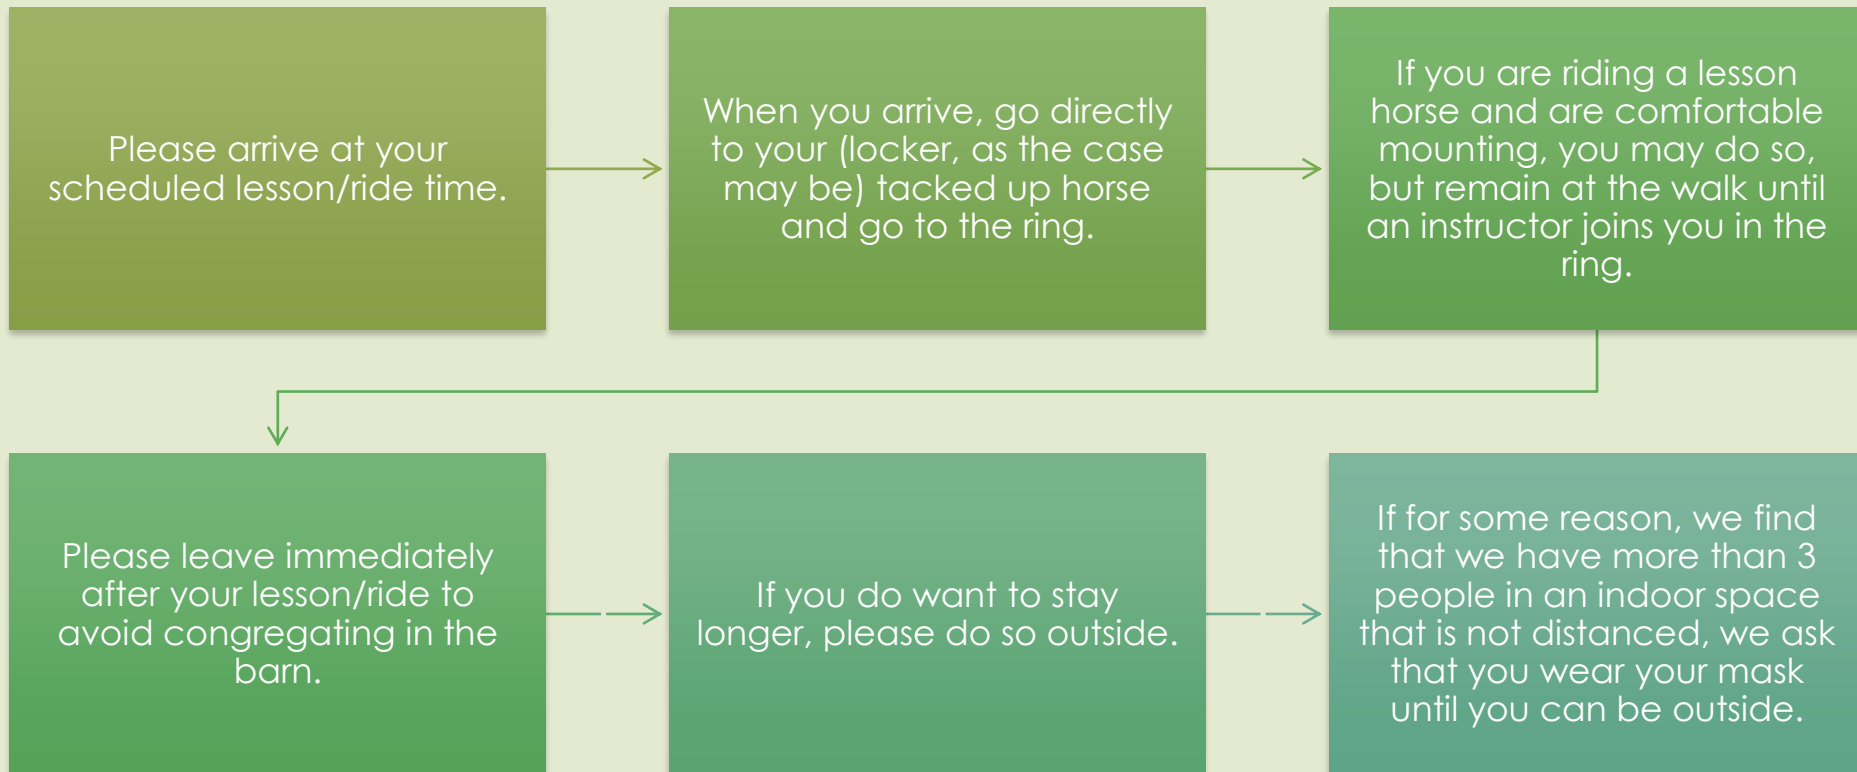

The Virginia mask mandate applies to any:

- indoor space
- shared by groups of people who may congregate within six feet of one another
- or who are in close proximity to each other for more than ten minutes.

Exceptions will be allowed, including:

- while eating or drinking,
- exercising,
- those with trouble breathing, and
- children under age 10

Beverly Mask Protocols

- ▶ We have an additional questionnaire and release that must be signed by everyone who visits the facility (or by the parent in the case of a minor).

COVID-19 Questionnaire and Release

LOUNGE CLOSED

Due to Beverly COVID-19 Protocols,
this area is closed.
